DRAGONS

Nigel Lucas, along with family and friends, organized a Dragon Boat team in 2008 in honour of his sister Deidre Jean Lucas who past away August 11th, 2007 after a hard fought 7 year battle with breast cancer.

Deidre grew up in Kingsville and attended Kingsville High School and moved to Toronto after graduation.

Deidre was an active and very much loved member of the dragon boat team "Dragons Abreast" in Toronto for 5 years before the cancer forced her to quit, however the ladies of team supported her by taking turns taking care of her children, taking her to her hospital and doctor appointments, cleaning her house, doing her laundry and shopping, with the best contribution as loving friends and teammates.

Deidre left four beautiful daughters "Jamila" is 17, "Aliya" is 16, "Amarin" is 13 and "Alura" is 11. She was a talented artist, loving mother, witty and beautiful sister and a wonderful daughter and one of 12 children in the Lucas family (2 girls & ten boys).

Deidre's Dragons consist of friends that sincerely care about the cause and the battle to beat breast cancer. Deidre's two oldest daughters Jamila and Aliya also row on the team.
